## PROFESSIONAL SUMMARY

---

Emerging Computer Science professional with hands-on experience in full-stack development, mobile and web applications, and software engineering internships. Proficient in Python, Java, Django, Angular, and Flutter. Skilled in building diverse projects, including student management systems, mobile apps, and AI-powered games. Strong problem-solving skills, adaptability, and a passion for continuous learning. Eager to contribute technical expertise in software development and data-driven projects.

## SKILLS

---

- Languages & Frameworks: Python, Java, C, HTML, CSS, JavaScript, Django, Angular, Next.js, Flutter
- Game & App Development: Godot, Flutter
- Data & Backend: SQL, Supabase, XAMPP
- Web Scraping: Selenium, BeautifulSoup
- Data Analysis: NumPy, Pandas
- Tools: VSCode, Code:Blocks, GitHub Desktop, Git Bash, NetBeans, Microsoft Office, WordPress
- Interpersonal Skills: Communication, Empathy, Leadership, Teamwork, Critical Thinking, Problem Solving, Adaptability, Flexibility
- Other Skills: Project Management, English Fluency, Decisiveness

## PROJECTS

---

- Lead the development of a Student Management System (Django, HTML, JavaScript, CSS)
- Collaborated in development GOTG (Game of the generals) Software Implementation with AI (Godot)
- Collaborated in development of Inventory System (Netbeans)
- Developed a mobile messaging app using Flutter (framework) and Supabase (Database)
- Developed and launched GUINOPINPOINT, achieving project completion within scope and timeline

## QUALIFICATIONS

---

- Civil Service Exam: Successfully passed, demonstrating a strong understanding of public service requirements and essential skills. (Passed at May 02, 2025)
- Java Programming Course: Completed, indicating proficiency in Java and the foundational skills needed for software development. (Attended training at Programming (Java) NCIII (240 HOURS) DEC-JAN 2025)
- Full-stack developer during internship in Awesome Kids Therapy Center

## EXPERIENCE

---

- Quanby IT Solutions - Software Engineer Intern (3 months) - Participated in full-stack development tasks across multiple projects.
- Awesome Kids Therapy Center - Full-stack Developer Intern - Contributed to both frontend and backend implementations during internship.
- Innodata - Freelancer (2 months) - Engaged in text/labeling and data annotation tasks as part of a project team.

## EDUCATION

---

- 2014-2021: Divine Word college of Legazpi (Graduated With Honors)
- 2021-2025: Bicol university: Bachelor of Science in Computer Science
